

Deddington OnAir

www.deddingtononair.org

There are eleven volunteers running the station at the moment. We have set up a charitable company, limited by guarantee, run by a committee of seven directors: David Rogers (Chair), Ian Willox, Deborah Labuschagne, Aaron Bliss, Sue Shelley, Tim White and Eileen Anderson.

We estimate that we will have annual running costs of £1500 to cover the necessary insurances and to meet regulatory and compliance requirements. The recording and broadcasting equipment we use is on short term loan so we will need a further £2500 to acquire our own equipment, making a total of £4000 to be raised in the first year.

We are applying for grants but we would welcome sponsors and advertisers.

There is also the opportunity to become a Friend of Deddington OnAir.

There are many ways in which you may help us and become involved in this exciting addition to parish life and you may well have ideas that have not occurred to us. Please tick any of the items relevant to your interests and return the form to Eileen Anderson, Wicklewood, Chapmans Lane, Deddington OX15 0SU or email eileenandersonuk@yahoo.co.uk
